

Nomination KB82, Addition

Status: Decision Making

Dear GMA,

Following on from the previous GMA, at which we nominated two candidates, we are now nominating a third board member: a treasurer. This means we now have three board candidates, and no vice-chair. For this reason, we have decided to create an HRM portfolio and assign it to Joey. Joey has previously served as a confidant, which gives us confidence in her abilities as HRM portfolio holder.

In addition, we would like to propose appointing Jasper as second treasurer, in order to reduce the treasurer's workload. We also hope that this will enable the treasurer to take on more portfolio responsibilities.

With combative regards,
SoCo 2025–2026

Nomination KB82

Treasurer: Mano Wit, 20, he/him.

We are pleased to nominate Mano Wit as part-time treasurer. Mano is 20 years old and is studying cultural heritage at the Reinwardt Academy. He will serve on the executive committee three days a week.

Mano is already well known in the student union scene; for example, he has been active at VIDUIS, where he served on the executive committee and the political committee. He is also active on the Opmeer municipal council as a party staff member. This makes that he has extensive experience with general meetings and rules and regulations, understands the inner workings of committees, and knows how to set out a political agenda.

He is passionate about the cause and is very keen to work for ASVA. We have come to know Mano as a well-informed activist who always manages to allow for nuance and carefully weighs up the next steps. He is a thorough worker who does not cut corners, but ploughs on calmly until he achieves his goal. He is keen to support students through the hustle and bustle (both on a personal and societal level) that comes with studying.
